Iggy has been spotted slithering towards the park!

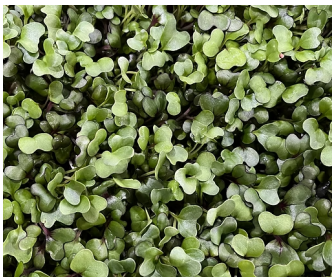

She was out looking for a home and heard about the festival. She grew so much last year (probably from those yummy Firemen Hot Dogs) she thought she'd return this year.

Come paint some rocks as you look at cars, listen to music, play kids games (sponsored by RT Federal Credit Union), and watch the fireworks!

THIS SATURDAY at noon!

Frisbee Golf Is HERE!

A huge thank you to everyone who came out for our Village Clean-Up, Yard Sales, Firemen BBQ, and Frisbee Golf Course build! It was a big day packed with hard work, laughter, and community spirit—and it couldn't have happened without you.

From early morning yard sales and the clean-up crew cleaning our boat launches, to the delicious BBQ and putting the final touches on our brand-new frisbee golf course, it was a full day of neighborly teamwork. Here's to more community projects, more shared meals, and many rounds of frisbee golf to come!

To answer some questions: There is only one basket for frisbee golf. The goal is to hit the numbered signs on the trees. There are a few small frisbees, but you would have a great advantage if you brought your own.
